3. Consent to Perform Ultrasound

I authorize Signal View Screenings and its sonographers to perform the ultrasound examination(s) selected above. I understand that: (a) Ultrasound screenings and diagnostic studies are elective, cash-pay services and are not a substitute for diagnosis or treatment by a licensed physician. (b) Screening results will be provided as a written sonographer findings summary on the day of service, indicating normal findings or areas to follow up with a physician. Diagnostic study results will be delivered as a physician-interpreted report within 2–3 business days. (c) Any findings of concern will be communicated and I will be advised to follow up with my primary care physician or appropriate specialist. (d) I have the right to refuse or discontinue the examination at any time.
